Online Registration With a Student Digital Identity

The Central Humanities Library FF

1. Scan the QR code:

2. Select: Log in with a digital identity Arnes AAI

All the data is mandatory.

Registration with a digital identity

Students that have a digital identity can register in their university's library online.

The registration includes the following MANDATORY steps:

- 1. Login with a digital identity**
After clicking the ArnesAAI button and successfully identifying, the display shows the student data (name, surname, e-mail and the student card number).
- 2. Setting a password for the *My library* service**
Enter the password for the *My library* service for the library, in which you are registering online.

1. Login with a digital identity

 ArnesAAI

You can register only based on the Arnes AAI identity.

2. Set password for the My library service

You must log in with a digital identity before you can register in the library.

3. Search by title: University of Ljubljana

AAI-prijava

Continue with the selected organization or choose a different one.

or

University of Ljubljana 

4. Enter your username and password
